## Chairman \& Chief Executive Officer

A key player in the formation of the ownership group that saved the Mariners for Seattle in 1992, Howard Lincoln was named Chairman and Chief Executive Officer on Sept. 27, 1999.

On Feb. 14, 2000 Lincoln retired from his position as chairman of Nintendo of America, Inc. to devote his full efforts to the Mariners. Lincoln joined Nintendo as its senior vice president and general counsel in January 1983. In February 1994, he was elected to the board of Nintendo of America, Inc. and appointed chairman of the company.
Philanthropy plays an important role in Lincoln's life. In addition to his strong support of the Mariners Care Foundation, he is a former chairman of the Children's Hospital Foundation. He was the Campaign Chair of United Way of King County's 2003/04 Annual Campaign. Lincoln is a board member of The Washington Roundtable.

Lincoln is a graduate of the University of California at Berkeley, and holds a law degree from Boalt Hall, the University of California School of Law. He and his wife, Grace, reside on Mercer Island. Their son, Brad, and his wife, Kim, have two children: Ethan and Benjamin.

## KEVIN MATHER

## President \& Chief Operating Officer

Kevin Mather was named Seattle Mariners President and Chief Operating Officer on Feb. 1, 2014.

Mather joined the Mariners in 1996 as the Vice President of Finance and Administration. He was promoted to Executive Vice President of Finance and Ballpark Operations in 1999.

In 2015, Mather was named to new Commissioner Rob Manfred's Long-Term Strategic Planning Committee and the Game Presentation (media practices) Committee. During his career with the Mariners, Mather worked closely with executives and members of the ownership group who served on key Major League Baseball committees to address issues of leaguewide concern including finance \& compensation, MLB's long-term investment fund and insurance coverages.

Prior to the Mariners, Mather worked for the Minnesota Twins from 1989-1996 where he served as Director and then Vice President of Finance. Before his career in baseball, Mather was with the Certified Public Accounting firm of Deloitte, Haskins \& Sells for four years, and The Bellfonte Company of Minneapolis for one year.

## JOHN ELLIS

## Chairman Emeritus

A life-long resident of the Seattle area, John Ellis led the efforts to keep Major League Baseball in the Pacific Northwest. Upon transfer of the Mariners franchise to the new ownership group, Ellis became its first chairman and CEO, serving from June 29, 1992 until September 27, 1999, when he was named Chairman Emeritus. Ellis continues as a member of the Mariners Board of Directors.

During the seven full seasons of his tenure, the Mariners only finished below . 500 once, while winning two Division titles and narrowly missing a third. Community and fan support improved enormously - attendance grew from 1,651,398 in 1992 to $3,507,975$ in 2001. The greatest accomplishment under his leadership was the construction of our world-class ballpark, Safeco Field.

Ellis has served variously on the MLB Executive Council, the International, Ownership and Compensation \& Finance Committee. He currently chairs the Baseball Endowment Limited Parnership (BELP) Committee. John started his career as a lawyer with Perkins Coie in 1953 (where he is now of counsel). He then joined Puget Sound Power \& Light Company (now Puget Sound Energy) in 1970, where he served variously as President, C.E.O. and Chairman until his retirement in 1993. During his utility career he served nationally as Chair of the Edison Electric Institute, and the Electric Power Research Institute. Although a loyal Husky, he was also Chair of the Board of Regents of Washington State University and Seattle University, uniquely at the same time. He and his wife, Doris, have 4 children and 8 grandchildren - all Mariners fans.

## BASEBALL OPERATIONS

## JACK ZDURIENCIK

Executive Vice President \& General Manager, Baseball Operations

Jack Zduriencik (zur-EN-sik) was named as the eighth General Manager in Seattle Mariners history after being hired on Oct. 22,2008 . Entering his seventh year, he is the second-longest serving GM in team history.

In his first year on the job, he re-organized the Mariners Baseball Operations, Scouting and Player Development staffs, added talent to both the Major League and minor league rosters and hired a new manager and coaching staff all resulting in the Mariners vaulting from 61 wins in 2008 to 85 wins

Jack Zduriencik.............2009- in 2009. He was recognized for his accomplishments with the Andrew "Rube" Foster Legacy Award from the Negro Leagues Baseball Museum recognizing the Executive of the Year.

His first trade with the Mariners was a three-team, 12-player deal in which Seattle acquired seven players from the New York Mets and Cleveland Indians, including then starting center fielder Franklin Gutierrez. His moves since that first trade were all built around his goal of accumulating talent in the Mariners Major League and minor league system. In 2010, eight of the Mariners nine minor league affiliates advanced to post-season play, a concrete example of the improved talent level in the organization.

In recent seasons, players drafted and developed by Seattle have begun arriving in the Majors creating a young, talented big league core. This success has allowed Seattle to sign Felix Hernandez, Robinson Cano and Kyle Seager to long-term deals.

Zduriencik spent nine seasons with the Milwaukee Brewers (1999-2008). He was promoted to Vice President - Special Assistant to the General Manager for Player Personnel on Jan. 15, 2008. He spent the previous two years (2006-2007) as Special Assistant to the GM/Director of Amateur Scouting after being hired by the Brewers as Director of Scouting on Oct. 25, 1999.

He is credited with helping to re-stock the Brewers minor league system with talent through the draft.
Following the 2007 season, Zduriencik was named Executive of the Year by Baseball America, becoming the first non-GM to ever win the award.

A 32-year veteran in Major League Baseball, Zduriencik worked with four MLB organizations prior to joining the Mariners. In addition to the Brewers, Zduriencik was Director of International Scouting \& Special Assistant to the GM for the LA Dodgers in 1999. Zduriencik spent two stints with the New York Mets, beginning his career in New York as an area scout (1983-89), scouting crosschecker (1990, 1994-95), Minor League Operations Director (1996-97) and Special Assistant to the GM (1998). He also worked as the Mets Advance Scout during its playoff runs in 1986 and 1988. Between stints in New York, Zduriencik was Director of Scouting for the Pittsburgh Pirates from 1991-93.

Prior to beginning his work in Major League Baseball, Zduriencik coached football and baseball at Clairton High School in Pittsburgh from 1977-80 and at Tarpon Springs High School in Florida from 198082. He coached football and baseball at the collegiate level at Austin Peay State University (Clarksville, TN) from 1975-77.

Jack and his wife, Debbie, reside in Bellevue. They have one adult daughter, Kimberly, who is a nurse practitioner in Pittsburgh. Zduriencik has a bachelor's degree in education from Cal University Pennsylvania and a master's degree in physical education from Austin Peay State University. He also attended Middle Georgia JC. Jack is a member of the Cal University, Pennsylvania American Legion and Lawrence County (PA) Halls of Fame.

## JEFF KINGSTON

## Assistant General Manager

Jeff Kingston is entering his sixth full season with the Mariners after being hired as Assistant General Manager on Sept. 17, 2009.

Kingston spent the previous nine seasons working with the San Diego Padres.
Jeff assists Jack Zduriencik in all player acquisitions, contract negotiations and player evaluations. He is also actively involved with roster, payroll and budget management. He played a key role in the construction of the Mariners new facility in the Dominican Republic and the remodeled Spring Training complex in Peoria, AZ. Jeff was originally hired by the Padres as an intern in the corporate development department in the summer of 1999. After spending 2000 working for an Internet company, he returned to the Padres in 2001 as an Assistant to the Director of Player Development. He was promoted to Director of Baseball Operations in November 2002, a position he held until being hired by the Mariners.

Kingston and his wife, Carrie, reside in Mercer Island, with their children Cole and Mia.
Jeff is a 1999 graduate of Dickinson College in Carlisle, PA, where he earned a degree in economics.

## TED SIMMONS

## Senior Advisor to the General Manager

Ted Simmons is in his fifth year with the Mariners organization in 2015. He spent the previous three seasons as a Major League bench coach with San Diego (20092010) and Milwaukee (2008).

Simmons was a Major League Scout \& Assistant to the GM with the Padres from 2002 through 2007. He spent three prior seasons (1999-2001) with San Diego as the Vice President of Baseball Operations.

Simmons spent six seasons with the Cleveland Indians as a Major League Scout and Assistant to the General Manager from 1993-1998.

Simmons was Senior Vice President \& General Manager of the Pittsburgh Pirates in 1992 and 1993. The Pirates won the NL East in 1992. Simmons began his front office career immediately after the conclusion of his playing career, serving as the Director of Player Development with St. Louis from 1988 to 1991.

He is fourth all-time in RBI by a switch hitter, trailing only Eddie Murray $(1,917)$, Mickey Mantle $(1,509)$ and George Davis $(1,437)$.

Ted and his wife Maryanne, reside in St. Louis, MO. He graduated from the University of Michigan in 1996. His hobbies include collecting contemporary art, and he is an Emeritus member of the Print Committee at the Whitney Museum of American Art in New York.

Ted and Maryanne have two sons: Jon and Matthew.

## JOE McILVAINE

## Special Assistant to the General Manager

Joe Mcllvaine is in his fourth season with the Mariners after being named to his current position on Sept. 19, 2011.

Mcllvaine spent the previous 14 seasons with the Minnesota Twins (1998-2011), holding a Special Assistant to the GM title since 2000. With Minnesota he was involved in all facets of scouting, including Major League coverage, minor league and amateur. He was also active in the Twins international scouting, especially in the Dominican Republic.
Mcllvaine was the New York Mets Executive Vice President of Baseball Operations from July 1993 thru July 1997. He was the Executive Vice President, Baseball Operations \& General Manager of the San Diego Padres from October 1990 until moving to the Mets in 1993.

## Guidelines for Selection to the Mariners Hall of Fame

The Mariners Hall of Fame was established in 1997 to honor the great players and other individuals who make positive contributions to the history of the Mariners franchise.
I. Eligible Candidates - To be eligible for consideration, uniformed personnel (player, manager or coach) should meet the following requirements:
A. Active in a Mariners' uniform for at least five seasons;
B. Ceased to be active in the Major Leagues at least two seasons preceding the selection, but may be otherwise connected with baseball.
To be eligible for consideration, non-uniformed personnel should meet the following requirements:
A. Full-time employee of the Mariners for at least five seasons.
B. Made significant contributions to Mariners baseball and the franchise, either on or off the field.
II. Method of Selection - The Mariners governing board, the Board of Directors of Baseball of Seattle, Inc., makes the selections for the Mariners Hall of Fame. Such selections may be made at the initiative of the Board, or at the recommendation of the Chief Executive Officer and the President of the Mariners, the Mariners front office, Mariners players, members of the media or the fans.
III. Criteria for Selection - The primary criterion for inclusion in the Mariners Hall of Fame for players shall be the on-field impact a player had while in a Mariners' uniform. The measure of a player's impact shall primarily be the statistical record created by the player.
The Mariners will consider other factors, such as:

1. Statistical impact on the field while in a non-Mariners uniform, whether before or after his tenure with the Mariners;
2. A player's positive impact on the Northwest community outside the game of baseball; and
3. A player's positive impact in enhancing the image of the Seattle Mariners or Major League Baseball.
IV. Time of Selection - The Board will consider recommendations of eligible candidates at least once each year, typically at its annual business meeting each fall. There may be more than one selection in a given year, and there may be no selection at all.
V. Retirement of Uniform Number - The Mariners plan to retire uniform numbers only very selectively and subject to substantially higher expectations than those applied to the Mariners Hall of Fame. To be eligible to have one's number retired, in addition to the criteria outlined above, the former Mariners should have either a) been elected to the National Baseball Hall of Fame and been in a Mariners uniform for at least five years, or b) come close to such election and spent his entire career or a substantial portion of his career with the Mariners. Eligibility shall not commence until after the former player has been voted on once for the National Baseball Hall of Fame, which for all practical purposes means six years after retirement. In this regard, the Mariners will take into consideration the policy of other American League clubs in retiring uniform numbers. This determination will also be made by the Board.
VI. Amendments - The Seattle Mariners reserve the right to alter and amend these guidelines at any time.

## WALKER's CAREER TRANSACTIONS

- Selected by Seattle in the supplemental first round (43rd overall) in the 2010 June draft... Signed by Mariners scout John Ramey.

## NEW UNIFORMS FOR 2015 SEASON

New for the 2015 season will be an alternate uniform that will be worn during Sunday home games at Safeco Field. The new jersey and pants are a classic cream color. The lettering and logo are the same as the current uniforms but in the original Mariners colors. The "Mariners" lettering is royal blue with gold trim outlined in royal. The button placket and sleeves are trimmed in royal, and there is a Mariners nautical "compass rose" patch in royal and gold on the left sleeve.

In a nod to vintage baseball uniforms, there are no players' names on the backs of the jerseys; just large block numbers in royal with gold trim. The look is completed with a royal blue cap with gold Mariners " S " and compass rose baseball logo and royal blue socks with gold stripes.

In addition to the new alternate Sunday uniforms, the Mariners also announced minor changes to the lettering of the home and road jerseys. The words "Mariners" (for home whites) and "Seattle" (for road grays) in navy letters will be trimmed in silver outlined in Northwest green.

## HOW TO FIGURE

Batting Average - Divide the total number of hits collected by a player by the total number of at bats. Example: Player A is 12 -of-40 or . 300 .
Slugging Percentage - Divide the number of total bases by the total number of at bats. Example: Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for a total of 26 total bases in 40 at bats and a .650 slugging percentage.
On-Base Percentage - Divide the total of hits, walks and hit by pitch by the total of at bats, all bases on balls, hit by pitch and sacrifice flies.
Earned Run Average - The total number of earned runs allowed by a pitcher is divided by the total number of innings pitched and then multiplied by nine for his per-game average. Example: Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.

Fielding Percentage - The sum of putouts and assists is divided by the sum of putouts, assists and errors. Example: Player C has made 16 putouts and 24 assists and two errors. That's 40 putouts and assists divided by 42 chances for a fielding average of . 952.
Magic Number - Determine the number of games yet to be played by the division leader, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

## SAFECO FIELD

Since the Inaugural Game of July 15, 1999, over 40 million fans have passed through the gates of Safeco Field.

The Mariners are truly a regional team drawing from one of the largest geographic home territories in Major League Baseball - Washington, Oregon, Idaho, Montana, Alaska and parts of Western Canada. We have learned from surveys that over half our fans come from outside King County, and nearly half, $48 \%$, tell us they travel more than one hour to get to the ballpark on game days.

Once they arrive at Safeco Field, fans are treated to one of the best ballparks in baseball, with a combination of the charm of a classic ballpark and the modern touches that make a fan's game experience that much better, including free WiFi and one of the largest HD videoscreens in all of MLB.

Sightlines from all seating areas are designed for optimal viewing. There are plenty of places to gather and casually

SEA 00 0-0 0 0-0 20 -2 80 watch the game while enjoying the beauty of the natural surroundings of Puget Sound and the downtown Seattle skyline. The Children's Hospital Playfield provides a place for kids to blow off some steam, and "The 'Pen" is a festive "event-within-an-event" atmosphere that attracts thousands of people before and during each game.

Designed as an extension of The 'Pen's casual atmosphere, Edgar's Cantina and Home Run Porch feature south of the border flavors with a Northwest twist courtesy of Safeco Field consulting chef Ethan Stowell.

The Baseball Museum of the Pacific Northwest and Seattle Mariners Hall of Fame provide a connection to the region's rich baseball history. They are co-located on the Main Concourse along the third base line and are open to all fans during games.

In addition to baseball, Safeco Field has hosted such events as varied as U.S. Men's soccer matches, Women's Gold Cup Soccer, the 2001 Seattle Bowl NCAA football game, WWE's Wrestlemania XIX, the WIAA State High School Baseball Championships, Mariners Cup invitational high school baseball tournaments, numerous graduations, weddings, proms, trade shows, birthday parties and holiday celebrations.

Over the years, Safeco Field has received numerous honors and appeared on many Top 10 and "best" lists. The ballpark was one of only two Seattle buildings to be named in the American Institute of Architects poll of American's favorite buildings. Opposing players have named it their second favorite ballpark to play in, behind Wrigley Field (MLB.com players' survey). ESPN.com staff and readers named the ballpark among their Top 10 in separate surveys, and noted travel guidebook Zagat ranked Safeco Field one of the top family-friendly attractions in the nation.

Safeco Field has achieved something fans, public officials and the Mariners ownership craved for most of the franchise history - stability for Major League Baseball in the Northwest. The public-private partnership that built the ballpark resulted in a beautiful facility for all to enjoy and a solid foundation for the Seattle Mariners. On October 1, 2011, the bonds that were used to finance construction of Safeco Field were paid off, five years ahead of schedule. The Mariners and the Washington State Major League Baseball Public Facilities District have maintained the ballpark in first-class condition and are looking forward to many more years at "the best ballpark in baseball."

## RETRACTABLE ROOF

During the 2014 season, the Safeco Field retractable roof was closed (or moved during play) in 17 of 81 games, or only 21\% of the time. Since Safeco Field opened in July 1999, the roof has been opened in 984 of 1,262 games (78\%). The roof is necessary to guard against the risk of a rain out. With almost half of all fans reporting that they drive an hour or more to get to Safeco Field, fans are assured that if they make the trip, they'll see a ballgame.

Safeco Field's retractable roof covers but does not enclose the field and seating areas, thus preserving an open-air environment. The structure has a footprint of nearly nine acres, weighs 22 million pounds, and contains enough steel to build a 55 -story skyscraper. The three movable panels glide on 128 steel wheels powered by 96 10-horsepower electric motors. The roof can extend or retract in 10-20 minutes, depending on weather conditions.

## SCOREBOARD SYSTEM

Debuted in 2013, Safeco Field is home to one of the largest HD videoscreens in all of MLB. The LED technology, from Sanyo, measures 56.7' high by 201.5' wide. The total viewing area, 11,425 square feet, is equal to about 2,182 42-inch flat screen TVs. The 1080p $\times 3840$ screen resolution provides image quality that is superior to broadcast HD signals. The video screen can be programmed for live action or video replays, split into sectors for graphics and animation and statistical data. The videoscreen integrates seamlessly with the Out-of-Town LED board and the LED ribbon boards on the Terrace Club fascia. The previous scoreboard dimensions were 56 ' high by 200 wide.

## PLAYING FIELD

Safeco Field's playing surface is designed for the Northwest climate and the retractable roof. A blend of Kentucky bluegrass and perennial ryegrass provides a durable playing surface that grows well despite low levels of direct sunlight. The retractable roof can remain closed, if needed, for six consecutive days without harming the grass.

## CONCESSIONS AND RESTAURANTS

Safeco Field's concessions and catering services are provided by Centerplate, one of the nation's largest providers of food, catering, merchandise and facility management services for sports, convention and entertainment venues. Fans will find a variety of fresh, high-quality choices from the Northwest and around the world available at the ballpark including local favorites such as Ivar's and Kidd Valley. Safeco Field consulting chef Ethan Stowell has created a variety of menu items including authentic Parisian crepes, grass-fed beef burgers, BBQ beef and pork sandwiches, hot links, and oyster Po 'Boys, all using fresh, local ingredients. Fans will also find sushi and other Asian delicacies, organic, glutenfree and vegetarian options, and classic ballpark fare. The Hit it Here Café and Edgar's Cantina provide seating before and during games, and the members-only Terrace Club, KeyBank Diamond Club, Emerald Queen All-Star Club, private and group suites, offer a selection of creative and delicious food in a relaxed setting.

## SPECIAL FEATURES

Safeco Field has a number of unique and interesting areas for fans to enjoy before and during games. "The 'Pen" is an event-within-an-event. Located behind left and center field, the updated area features premium concessions from noted chef and Seattleite Ethan Stowell, New Haven-style pizza from a custom brick oven, and tortas. There's a cozy fire pit, The Rail bar and Caught Looking Lounge (which features cocktails), a Seattle Mariners Team Store, as well as the Fan Walk personalized bricks. The terraces behind the center field fence offer a lively atmosphere to meet and mingle with other fans and one of the best views of the game.

Lookout Landing, located at the end of the left field line of the 300 (view level), provides incredible views both inside and outside the park.

The Outside Corner Picnic Patio, directly above the Home Plate Gate entrance on the 300 level, is a gathering spot that offers breathtaking views of Puget Sound and the Olympic Mountains as well as tables and benches for pre- and in-game family picnics.

The Seattle Children's Playfield is located on the Main Concourse in center field. It lets kids work off excess energy on fun, baseball-themed playground equipment. Inside the Playfield is Moose's Munchies, a concession stand just for kids featuring menu items like peanut butter and jelly sandwiches, small hot dogs, Cracker Jack and soft drinks, all served in a souvenir plastic bucket.

Immediately outside the Playfield is the Seattle Children's Wishing Well, which spouts a column of water when the Mariners hit a home run. Coins tossed into the Wishing Well are donated to Seattle Children's to support patient care.

The flagship Mariners Team Store is open year-round with one of the world's largest selections of Mariners apparel and merchandise for men, women and children. The Kid's Clubhouse, located next to the Children's Playfield, caters to children and youth.

Works by 11 Northwest artists are incorporated into the design of the ballpark and parking garage. The ambitious $\$ 1.3$ million public art program includes a variety of installations that celebrate the game of baseball including a huge bronze mitt outside the Left Field Gate and a chandelier of 1,000 translucent, regulation-sized baseball bats above the Home Plate Gate grand staircase.

## SUSTAINABILITY

The Seattle Mariners are committed to operating the franchise and Safeco Field in an environmentally responsible manner. Since 2005, the recycling rate has increased from $12 \%$ to $85 \%$ in 2014. Nearly everything used at Safeco Field is recyclable or compostable including all the food service items (plates, knives, forks, spoons, cups, straws, bottles, etc.). Zero Waste Stations have replaced garbage cans on concourses and cleaning crews hand-separate plastics and food waste after each game.

In 2015, Safeco Field became the first MLB ballpark to illuminate the playing field with LED lights. The lights reduce glare and shadows on the field for a better experience for players and fans (both at the ballpark and watching at home on HD TV). The lights use $60 \%$ less power and will last an estimated 30 -years (vs. three years for the old metal halide lights).

An array of solar panels on the roof of the skybridge to the parking garage generates 40,000-kilowatt hours of power annually and four electric vehicle charging stations are available to the public year round.

Through conservation and capital investments, the Mariners have significantly reduced consumption of electricity, water, natural gas and sewer charges. These efforts have reduced CO2 emissions by 21.2 million pounds.

BASEBALL MUSEUM OF THE PACIFIC NORTHWEST

The Baseball Museum of the Pacific Northwest and Seattle Mariners Hall of Fame is located on the Main Concourse (100 level) of Safeco Field, opposite Sections 132-136, the Museum is open to all fans during every Mariners home game.

With the assistance of noted baseball historian Dave Eskenazi, the museum explores the rich history of baseball in the Pacific Northwest from the 1880s to today. Artifacts, photos and interactive exhibits invite fans into the region's baseball history documenting amateur, minor league and Major League Baseball.

The Seattle Mariners Hall of Fame celebrates the best of Mariners Baseball. There are eight current inductees - Alvin Davis, Dave Niehaus, Jay Buhner, Edgar Martinez, Randy Johnson, Dan Wilson, Ken Griffey Jr., Lou Piniella and Jamie Moyer is scheduled to become the ninth member during an induction ceremony on August 8, prior to the game vs. the Texas Rangers.

The Baseball Museum of the Pacific Northwest is funded through the proceeds of the sales of personalized bricks in the Bullpen Market Fan Walk of Safeco Field. In total, 12,500 bricks were sold by the Washington State Major League Baseball Stadium Public Facilities District (PFD). The PFD and Mariners worked closely with Bronskill \& Company, the international design company that created Major League Baseball's AllStar FanFest, to create an exciting mix of exhibits, displays, dynamic attractions and activities that make up this guest experience.

## GROUND RULES

## Photographer's Areas

The ball is "in play" if it hits any of the railings defining the photographer wells and bounces back onto the playing field.

## Ball Hitting Roof Trusses

A batted ball hitting a roof truss in fair territory shall be judged fair or foul in relation to where it lands or is touched by a fielder. If a batted ball if caught by a fielder, the batter is out and base runners advance at their own risk.

A batted ball hitting a roof truss in foul territory is a dead ball, regardless of where it lands or if caught by a fielder.

## Outfield Area

Netting in the right field corner in foul territory is above and beyond the wall. A batted ball that bounds into the netting is a dead ball whether or not it rebounds onto the playing field: Two Bases.

## Dugouts

A ball must enter the dugout to be considered a dead ball.

## Movement of Roof

If a game is started with the roof closed, it may be opened when, in the opinion of the home club, climactic conditions warrant such opening. However, roof may be opened only once during a game and shall commence only between innings after the umpire crew chief has been notified. Prior to opening of roof, the visiting club may challenge the opening if it feels a competitive imbalance will arise. The crew chief will make a final decision based on the merits of the challenge.

If a game is started with the roof open, it may be closed during the game. The decision to close the roof shall be made by the home club, and may be made solely for the comfort of its fans. Play will continue during roof closure if possible. However, the umpires have the right to stop play during this process if they determine it is necessary to do so.

## KINGDOME FAREWELL

After 22-and-a-half years, the Seattle Mariners said farewell to the Kingdome on Sunday, June 27, 1999. A sold-out crowd of 56,530 fans watched the Mariners defeat the Texas Rangers 5-2. A post-game ceremony featured a ceremonial "final pitch" in the Kingdome, as Bob "Scrap Iron" Stinson caught a pitch tossed by Cory Segui, the grandson of Diego Segui. Segui and Stinson made up the starting battery of the Mariners inaugural game on April 6, 1977. Mariners Legends who participated in the post-game ceremony included Hall of Famer Gaylord Perry, Ruppert Jones, Alvin Davis, Julio Cruz and Harold Reynolds.

## PRE-GAME WORKOUT SCHEDULE

For home games, the Mariners clubhouse opens 3 hours, 50 minutes prior to game time and closes when the Mariners take the field for batting practice.

1906－17：Seattle ended its membership in the P．C．L．and joined the Class－B Northwestern League．
1919：Seattle re－joined the Pacific Coast League．The club was named＂Indians＂and played a 225－game schedule（the extended season format continued through the 1957 P．C．L．season）．

1960：Sick sold the club to the Boston Red Sox．Seattle became the Red Sox triple－A affiliate．
1965－68：The California Angels purchased the club and Bob Lemon managed Seattle to its last baseball championship．
1967：Public approval was given for funds needed to build a domed stadium （completion was scheduled to be prior to the 1972 season）．
1969：The Seattle Pilots came into existence and began to play in the American League．Sicks＇Stadium was expanded to seat 28，500，and 677，944 fans came out to watch the 64－98 expansion team．Third baseman Tommy Harper led the junior circuit with 73 stolen bases．
